

Bicycle and Pedestrian Counting Program

I am participating in a research project with GOBike Buffalo and transportation partners to study bicyclist and pedestrian traffic volumes. I am counting the number of people who pass by on foot or on bike.

I am happy to answer your questions if I can, but I must stay focused on counting to ensure our counts are as accurate as possible.

Thank you for your interest in our program.
For more information, contact thea@gobikebuffalo.org
or call (716) 218-7161
