

Lake Avenue

Healthy Streets Initiative Pilot Concept Design Review

with GObike & the Town of Hamburg Supervisor's Office

**Wednesday
May 22
5:30 - 6:30**

**Frontier
Blasdell
Elementary
Cafeteria
(3780 South Park Ave)**

Please join us to view and provide feedback to GObike's draft designs for upcoming roadway safety interventions on Lake Avenue between South Park Avenue and McKinley Parkway, to be implemented Summer 2024.

The *Lake Avenue Healthy Streets Initiative* seeks to improve safety and connectivity for all users on Lake Avenue, building off of the community input received during the Hamburg Active Mobility Action Plan process, which included a community survey, regular meetings with the Hamburg Moves committee, and a walk audit of Lake Avenue with residents from Our Mother of Good Counsel Senior Apartments.
